THE SIAM RESIDENCE DELUXE — KOH SAMUI — THAILAND

RATING

****(*) 4 Star Deluxe

LOCATION

Located on Santi Beach on the west coast of the island Koh Samui, “The Siam Residence Deluxe” is nestled in extensive tropical gardens.

Nathon, the islands’ picturesque little town has shops with reasonable prices, and enables visitors to get to know the way of life of the friendly Thai islanders, for instance at the Food Night Market. The town is only three kilometre away from the Siam Residence, which runs a free shuttle bus and group taxi service for its guests. Nathon is a stimulating contrast to the tranquillity of the Siam Residence resort.
